Subject: Submission the report of the study tour 'Monitoring in Professional Development, Mentoring & Teacher friendly networking in Singapore' under Primary Education Development Program-3 (PEDP-3), Directorate of Primary Education.

Dear Sir,

You may like to know that I was the participant of the study tour program titled 'Monitoring in Professional Development Mentoring & Teacher friendly networking in Singapore' that was held in Singapore, from 21April – 01May 2016.

The program was an excellent scope for the whole team especially for the teachers who were for the first time visited abroad and gathered vast experiences from this trip. As a Deputy Team leader I am impressed with the services that the organizer provided whilst we were in Singapore

The study tour program offered one Govt. and one private primary school visit which was diversified with monitoring, mentoring and net working about teaching profession of Schools. Two whole day session was arranged in National Institute of Education (NIE) in Singapore which was an excellent opportunity for sharing knowledge and experience. All participants returned to Dhaka safely.

I would like to express my gratitude for the program, as I feel that it will provide us with the enhanced knowledge, attitude and practice related to teaching professional development.

A Report on the study tour prepared by the teachers on behalf of the team enclosed here with the Boarding Passes of all participants.

Sincerely Yours,
